DETAILED ACTION

1. The Amendment filed July 25, 2005 has been received and considered.

Claim Objections

2. Claim 13 is objected to under 37 CFR 1.75 as being a substantial duplicate of claim 11. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).
3. Claim 14 is objected to under 37 CFR 1.75 as being a substantial duplicate of claim 12. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Note: applicant's new amendments to Claims 11 and 12, canceling the "equal to" limitations, appear to have created the objections listed above.

Allowable Subject Matter

4. Claims 8, 9, 11, 12, 17, and 18 are allowed.
5. Claims 13 and 14 are objected to as outlined above, but would be allowable if rewritten to overcome these claim objections.

Conclusion

6. This application is in condition for allowance except for the above mentioned formal matters.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
